2| Beautiful bespoke writing

‘Reading the script again has brought back that wonderful feeling of love and pride I experienced. We can’t thank you enough for all you did to make the day so special. I would recommend you as a humanist Celebrant unreservedly.’
Chris (parent)

‘We were amazed at how you crafted what we had told you into a witty, loving and ‘perfectly us’ narrative. The balance of the script was ‘just right’, with some tears, and much laughter. Most importantly, Freddie’s character really came through.’
Sarah + Alex

‘This is BEAUTIFUL. You’ve captured the essence of our relationship perfectly. We both got teary just reading it, so not sure how we’re going to make it through the day. Just reading this tonight has made us both very happy.’ Lou + Dom
On reading first draft

‘Just read it! Now crying with the boiler repair man wondering what on earth is wrong with me. It’s beautiful. I don’t want to change anything. Those words beat everything - the best bit of the wedding by a mile.’ *Text from bride CJ*

‘It’s not often enough people stop to think about why they work/what ‘makes love happen’: the only thing important on the day (and for our marriage). Condensing Rob and I into 40 minutes, every single line and word was us.’ Loyal + Rob

‘Words cannot describe how amazing our wedding was! It felt just incredible to have everyone there, your words so powerful and intimate. Everyone was telling us how special it was. We will certainly be shouting about you from the rooftops!’ Emma + Tom

‘It was very important the ceremony be about us as a family and Hannah captured this perfectly, taking on board everything we’d discussed. Every single guest was blown away by its unique and personal style. There wasn’t a dry eye.’
Zoe + Chris

‘I remember our vows as if they were 5 minutes ago. They summed up exactly what we mean to each other and what we stand for. They are the threads which make up our relationship. We live them every day.’ Beci

‘After a huge amount of work from her Hannah sent through our ceremony and we both had a tear in our eye, overwhelmed by how full of meaning it was. My husband is an ex-boxer. Crying isn’t something he does!’ Claire + Tommy

‘This is absolutely amazing! I will admit I had a little cry reading it! It’s completely beyond anything either of us expected.’
Gemma + David *On reading first draft*

‘The words you spoke captured the essence of two people who were committing themselves to a future together. Their vows were amazing and so personal – they’d obviously thought very carefully about what they wished to say to each other.’ Caro (parent)

‘We chose a Naming Day, not a Christening or Baptism, as entering a religion isn’t something we feel should be done for you. Delighted by Hannah’s approach, ideas and support, when we read her beautiful script, it made us cry!’ Fran + Adi

‘Our wedding was so perfect – equal parts romantic, moving and funny. If you’re looking for unique and truly meaningful vows, don’t hesitate in booking. Ours were absolutely amazing and meant so much to us. We cannot recommend Hannah highly enough!’ Gillian + Ankit

‘Adapting the script at the last minute to include the FaceTime feed meant my parents felt they were really there and Francesca’s sister remarked it was lovely to hear about our relationship in our words, not just some predetermined phrases.’ Diane

‘It was such a relief to find someone who could convey romance without ‘the cheese factor’, perfectly capturing who we are and what marriage means to us. All our guests said how refreshing it was to feel part of it.’ Ruth + Jon

‘Thank you for this. I’ve just read it... I absolutely love it. It’s amazing and exactly what we wanted!’ Claire + Chris

‘The whole day was perfect from start to finish so thank you so much for your part in that. Words mean so much on a day like yesterday and you expressed it beautifully.’ Linda (mother of the groom)

‘We needed help creating a bespoke piece of writing that explained how much we mean to one another, guidance to put our hearts down on paper, making sure we didn’t miss anything vital. We got all of that and more.’ Luke

‘We couldn’t be more happy with the decision to have you part of our wedding and we will remember your words forever. Literally everyone I spoke to commented how beautiful and personal the humanist ceremony was. I couldn’t agree more!’ Dionne + Damien

‘I’ve read the script a few times since the wedding, bringing the day and all the emotion that went with it, in an instant. It’s truly wonderful we have something so uniquely personal to reminisce over. We will treasure it.’ Lynsey

3| The effort I put in

‘Thank you so much for such a fabulous job. I saw what care you took in ensuring everything was just perfect for Laura and Lee. A planner’s dream, someone as organised as us! It has been lovely working with you.’ Andrea – Fabulous Together

‘You have this utterly lovely combination of authoritativeness and warmth - like everything’s completely in hand. All your small details had a seismic effect on the feel of the ceremony. Even the string quartet were in tears. We’d never met!!!’
Ayesha + Richard

‘From initial meeting to the actual day Hannah made us feel special and important because she really does care, throwing herself into the process. We felt involved throughout and our baby girl’s naming ceremony was fantastic, encompassing everything we wanted.’ Claire + Paul

‘Hannah really took time to get to know us, making the ceremony more than we could ever imagine, like a friend was conducting it. She has an amazing ability to make you feel you’re the only couple she’s working with.’ Roisin + Paul

‘The time and care and attention you put in was overwhelming, even down to timing arrivals so the songs we chose had the maximum impact. You are so, so good at what you do and clearly believe in it completely.’ Caro + Karen

‘Hannah not only organised and wrote the ceremony itself, she also liaised with the venue, photographer and videographer, ensuring that they knew the Order of Service in detail so they could capture all of the special moments during the ceremony.’ Heidi + Sam

‘You put so much effort into crafting a beautiful ceremony, allowing us freedom to input and adapt, which was perfect, including people close to us. It flowed and built momentum, tastefully and with all the gravitas a wedding ceremony should.’ Becky + Ric

‘Thought provoking questions from Hannah enabled her to write the most incredibly personalised ceremony: Martha’s traits, our hopes, how she’d changed us. The guide-parent promises, all individual, meant a lot to us. We would love to do it all again!’ Tammy + Jonathan

‘During planning, you could tell it was going to be a very personalized ceremony, due to the amount of effort and care Hannah took. Exceptionally organised, it was one less thing to worry about, knowing she had everything in hand.’

‘Thank you, thank you, thank you from the very bottom of my heart. You were truly fantastic, delivering the most wonderful words to our friends and family. Picking you was definitely one of the best decisions we made. Totally brilliant.’ Carla + Ian

‘From the beginning Hannah made it so special for our family, but her service went much further than the ceremony, staying behind and speaking to our guests. It was the first time we’d actually met; we felt we knew her.’ Micheala

‘We wouldn’t hesitate in recommending Hannah if you are looking for a non religious but personal, heartfelt, light hearted yet moving ceremony. We cannot begin to say how pleased we were with the amazing end result – it was absolutely perfect.’ Claire + Niall

‘We contacted Hannah after seeing her perform our friends’ ceremony, loving the fact we could personalise our vows. A joy to deal with throughout, always cheerful and responsive, she put a great deal of work into our day. It showed.’
Kate + Alec

‘You made us feel very much at ease, allowing us to enjoy all the more. Great at helping with guests, getting everyone to the marquee, I know that Stu was very appreciative of your help as he was very nervous.’ Matilda

‘THANK YOU so much for giving us the perfect wedding ceremony. From the first moment we spoke on the phone I felt that we had really clicked with you, conversation was easy and you allowed our ideas to develop naturally.’ Emma

‘We so appreciated the time and thought you put into preparing the script and the warmth with which you conducted the ceremony. People assumed you knew us well or we had written it ourselves, it had such a personal touch.’

Rhea + Doug

‘Hannah put a lot of time in – with us at home, at the venue sorting logistics and, on the day, shepherding guests into the right locations and performing the ceremony. She took so much worry out of our wedding arrangements.’ Janette + Neil

‘Hannah was a complete professional from start to finish: at the venue with plenty of time to chat to those doing readings, making sure the room set up was as it should be. I truly knew we were in safe hands.’ Tammy

‘Heartfelt thanks for your warmth, humour and patience. We were delighted, moved and inspired by what you crafted from our words and the whole experience of hearing and speaking them was profoundly meaningful and joyful. Many guests shed a tear.’ Deb + Anoob

‘We really enjoyed the process and were delighted with the script. We now miss Hannah’s ‘getting to know you’ emails – some were easy, some make you think, but the result is a truly personal ceremony that totally reflects your relationship.’ Kathy + Alan

‘The whole process was flawless. The way we constructed our ceremony step-by-step was easily managed. No question was a stupid one. Before we found Hannah stress levels were high, but after our first conversation a weight had been lifted and our minds soothed.’ Luke + Ewan

‘Reading what John had to say, and the fact that he found it easy to say it, confirmed we were marrying for the right reasons and emphasized that we wanted the same things in our relationship after the “Big Day”.’ Megan

‘Thank you for your ongoing support and perfectly worded emails...for helping us to work out how best to say what we wanted...for making our ceremony everything we had imagined – and then some – and the whole process of building it so beautiful too.’ Jen + Warren

‘Hannah came with a strong recommendation which was much deserved. Detailed planning leading up to the day was key, using what we grew to recognise as her “emotionally intelligent” approach. Our wedding was a truly magic occasion, bespoke to us.’ Diana + Stephen

Laura + Lee

‘Your lovely emails really helped us enjoy the build up and your ceremony had our voices behind it. Delighted with how it all went, largely down to you, we’re so pleased we found such a thoughtful, kind and professional person.’ Matilda + Stuart

‘Hannah helped keep the stress to a minimum by breaking the process down into small manageable stages, which really helped keep us on track. She is an amazing Celebrant and an even more amazing woman who we would thoroughly recommend.’ Chris + Alexa

‘Hannah made the process very easy: setting tasks and taking time to get to know us, making the ceremony more personal on the day. She also liaised with friends and family for surprise readings which were beautiful. Everybody loved her.’ Angela + Tom

‘If I had to pick one thing, it’d be the process. Asking various questions, Hannah gave us space to reflect on our relationship/what we wanted in marriage. It’s not often you commit to paper what you love about your partner.’ Meg

‘One of the most special things was how Hannah involved family and friends and made them feel important. The process made us realise what it was that we loved so much about each other, but sometimes just forget to say.’ Kay + Andy

‘We stepped into the unknown with our elopement: plans cancelled, everything on hold, families apart. A constant source of inspiration and reassurance, Hannah’s support put all our emotions into words - which will stay with us for the rest of our lives.’ Alison + Gareth

‘It was everything we could have wished for: kick starting the day and setting the tone. You’re brilliant. So many said it was the best wedding ceremony they’d been part of: the perfect mix of love, sincerity and humour. Magical.’ Jo + Sam

‘The humanist ceremony was the centre point of our day: the main event, the most important and symbolic – our true wedding ceremony. It allowed us to personalise it entirely and ensure everything included was truly meaningful and right for us.’ Becky + Ric

‘It was important to me that the ceremony should be so personal and that we were afforded the opportunity to tell our story, in our way and enjoy every moment of it – your ceremony enabled us to do exactly that.’ Debbie

‘Everyone thought our ceremony captured the essence of us as a couple and had everything – laughter, tears and joy! We both thought it was the best way possible for us to celebrate our marriage and set up a fantastic day.’ Claire + Niall
